Unwell Children Procedure

Parents will be made aware of the Pre-school's policy on keeping children who are ill or infectious at home for the appropriate period of time.

If a child becomes unwell at Pre-School, the parent / carer will be contacted to collect their child as soon as possible.

The child will be comforted by a member of staff until the parent / carer arrives.

If we are unable to contact the parent / carer we will try all other contacts on the registration form.

If a child requires emergency treatment we will dial 999.

If a child has to go to hospital and the parent / carer has not arrived, a member of staff will accompany them to hospital, taking the relevant medical information with them.
